

"This was the most professional conference I have attended and I attend these types of events often. All the speakers were enthusiastic and knowledgeable. The attendees were all involved and the running of the conference was flawless. Outstanding!"
Senior Representative US Marine Corps, 2009 International Port Security Attendee

DISCUSS THE GLOBAL PORT SECURITY CHALLENGE

SMi's Third Annual Conference on...

International Port Security

Communication, Cooperation & Coordination

29th & 30th September 2010, Hilton Barcelona, Spain

Don't miss case studies from international ports including:

- **Carla Salvadó**, Cruise Manager, **Port of Barcelona, Spain**
- **David Snelson**, Chief Harbour Master, **Port of London, UK**
- **Joseph Lawless**, Director of Maritime and Bridge Security, Massport, **Port of Boston, USA**
- **Reinout Gunst**, Security Coordinator, **Port of Rotterdam, Netherlands**
- **Bill Crews**, Port Security and Emergency Operations Manager, **Port Authority of Houston, USA**

Plus key speakers include:

- **Rear Admiral Phillip Wilcocks**, Director, **CEMPA, UK**
- **Jay Grant**, Director, **Airport and Seaport Police, USA**
- **Rear Admiral Francesco Carpinteri**, Chief, 6th Department, **Italian Coastguard**
- **Commodore RS Vasan IN (Ret'd)**, (Former) Regional Commander, Coast Guard Region East, **Indian Navy**
- **Commander Blaine Parkinson**, Force Protection Officer, Navy Europe Africa, **US Navy**
- **Captain John Kenyon**, Commanding Officer, International Port Security Program, **US Coastguard Activities Europe**
- **Fredrik Cornell**, European Director, **Securitas**
- **David Fairnie**, Director of Global Port Solutions, **G4S**
- **Richard Butcher**, Chairman and Managing Director, **Cambridge Academy of Transport**
- **Verolme Koos**, Sonar Manager, **TNO**
- **Senior Representative, Police of Catalonia, Spain**
- **Rob Balloch**, Strategic Development and Marketing Director, **Sonardyne International**
- **Christian Dupont**, Deputy Head of Unit, DG TREN, Transport and Energy, **European Commission**

Conference Highlights:

Preview the latest technologies for port security operations

Obtain a greater understanding of international port security

Reach out and network with the people you want to meet from the port security community

Take the opportunity to attend high level briefings and get involved in multiple stream sessions and an interactive site visit

Plus a Post Conference Site Visit to the Port of Barcelona

1st October 2010,
Port of Barcelona,
Spain

GROUP DISCOUNTS AVAILABLE

8.30 Registration & Coffee

9.00 **Chairman's opening remarks**
Rear Admiral Phillip Wilcocks, Director, **CEMPA, UK**

9.10 **HOST NATION OPENING ADDRESS**
The Port of Barcelona – Security Considerations and Lessons Learned
Carla Salvadó, Cruise Manager, **Port of Barcelona, Spain**

CASE STUDIES FROM INTERNATIONAL PORTS

9.50 **KEYNOTE ADDRESS**
Security and the Port of London

- The port of London's security responsibilities
- The ports support to the police forces of London, Kent and Essex
- Partnership working with the Thames and Dover Police portal Group
- A port security authority under EU legislation
- The ports contribution to the London Olympics transport security architecture

David Snelson, Chief Harbour Master, **Port of London, UK**

10.30 Morning Coffee

10.50 **Port Security at the Port of Rotterdam**

- An overview of activities at the port
- Understanding the port security challenge
- What are the major threats to ports in the region?
- Security standards in place – Is the ISPS code tough enough?

Reinout Gunst, Security Coordinator, **Port of Rotterdam, Netherlands**

11.30 **Security Detection in Place at the Port of Houston**

- Programme review at the Port of Houston
- Overview of port security threats to the Port of Houston
- Security regulations in place
- Understanding the security procedures
- Technologies in use to identify the threat and ensure rapid response
- Container management and security
- Future evolution

Bill Crews, Port Security and Emergency Operations Manager, **Port Authority of Houston, USA**

12.10 **Massport Port and Maritime Security Operations**

- Update of activities and successes to date
- Container management and cargo security
- Cruiseport Boston – balancing passengers needs with security considerations
- How can we improve?

Joseph Lawless, Director of Maritime and Bridge Security, **Massport, Port of Boston, USA**

12.40 Networking Lunch

1.45 **INTERACTIVE PANEL DISCUSSION**
Procurement of Private Security
Moderator:
Mike McBride, Consultant Editor, Police and Homeland Security, **IHS Jane's Information Group**
Panellist:
Christian Dupont, Deputy Head of Unit, DG TREN, Transport and Energy, **European Commission**
Fredrik Cornell, European Director, **Securitas**
David Fairnie, Director of Global Port Solutions, **G4S**
Reinout Gunst, Security Coordinator, **Port of Rotterdam, Netherlands**

STREAM ONE

2.15 **Chairman's Opening Remarks:**
Mike McBride, Consultant Editor, Police and Homeland Security, **IHS Jane's Information Group**

SAFEGUARDING AGAINST THE UNDERWATER THREAT

2.30 **End-to-End Intruder System Basics**

- Distance, speed, time
- Coverage Variability, automation & false alarms
- Response and Closure
- Quality assurance

Dr Ronald Kessel, Project Manager, Port Protection, **NATO Undersea Research Centre (NURC)**

3.00 **Integrated Waterside security for Ports and Strategic Infrastructure**

- Case studies of installations, integration, system performance and lessons learned
- Evolution of the technology, costs, training requirements and operational experience
- Development of C2 platforms for waterside and vessel based protection, both local and over the horizon
- Development of new sonar technologies for Port Protection

Rob Balloch, Strategic Development and Marketing Director, **Sonardyne International**

3.30 Afternoon Tea

4.00 **Waterside Security: Passive Diver Detection**

- Passive detection of diver and marine mammals
- SOBEK and active sonar
- Networking to cover a large area with few sensors
- Durability and ease of use
- Integration and future steps

Verolme Koos, Sonar Manager, **TNO**

STREAM TWO

2.15 **Chairman's Opening Remarks:**
Rear Admiral Phillip Wilcocks, Director, **CEMPA, UK**

CONTAINER MANAGEMENT AND SECURITY

2.30 **Realistic Threats to the Surrounding Area of a Port**

- Linkage of Port Terminals and landside transport interfaces
- ISPS Code – should it be extended to incorporate a port's surrounding security arrangements?
- Gaps in the operating picture – interoperability and information sharing
- How do we improve?

Richard Butcher, Chairman and Managing Director, **Cambridge Academy of Transport**

3.00 **Flexible and Mobile Imaging Technology**

- Intercepting weapons, contraband, and other items of interest and verifying shipping manifests
- Combining versatile mobility and flexible operation with imaging technology
- Container screening to vehicle screening to force protection
- Systems integration, training and future capabilities

Senior Representative, **Industry**

3.30 Afternoon Tea

4.00 **Container Screening/Scanning Systems**

- Update of the technology in place – what is available now?
- Privately developed screening and scanning systems integrated at all foreign ports
- Scanning all sea freight coming in and out of a country – effect on the economy and supply chain
- Improving security/training requirements

Invitation to: **Jamie Clarkson**, General Manager for Port and Intermodal Security, **Transport Security Administration, USA**
Invitation to: **Jeffery Graves**, Programme Manager for Port and Intermodal Security, **Transport Security Administration, USA**

4.30 CLOSING KEYNOTE **Port Security - Beyond Guns, Guards & Gates** Jay Grant, Director, **Airport and Seaport Police, USA**

5.00 **Chairman's Closing Remarks and Close of Day One**

8.30 Re-Registration & Coffee

9.00 **Chairman's Opening Remarks**

Rear Admiral Phillip Wilcocks, Director, **CEMPA, UK**

9.10 **OPENING ADDRESS**

The Role of a Port as a Gateway to International Trade

- The role of a port with respect to security
- European Commission and international Port Security
- ISPS guidelines – are they being implemented correctly?
- Major challenges that lie ahead

Christian Dupont, Deputy Head of Unit, DG TREN, Transport and Energy, **European Commission**

9.50 **Challenges and Opportunities for Improving Maritime Security**

David Fairnie, Director of Global Port Solutions, **G4S**

10.30 Morning Coffee

10.50 **INTERACTIVE PANEL DISCUSSION**

How do we Best Achieve Interoperability Between Agencies During a Port Security Incident?

Moderator:

Mike McBride, Consultant Editor, Police and Homeland Security, **IHS Jane's Information Group**

Panellists:

Jay Grant, Director, **Airport and Seaport Police, USA**

David Snelson, Chief Harbour Master, **Port of London, UK**
Senior Representative, Police of Catalonia, Spain

OPERATIONAL EXPERIENCES

11.50 **Lessons Learned and Operational Experiences in the Italian Coastguard**

- Port security and the Italian Coastguard
- Lessons learned from operations
- Security procedures in the Mediterranean Sea
- National and international interoperability and information sharing
- Maintaining security and securing a safe future

Rear Admiral Francesco Carpinteri, Chief, 6th Department, **Italian Coastguard**

12.30 Networking Lunch

1.30 **The US Navy and the Protection of Ports**

- The connection between port and homeland security
- Interoperability with other agencies to help ensure increased port security
- What are the current threats to ports in the region - operational case studies
- Training and technologies in place to help ensure increased security
- What can we do better?

Commander Blaine Parkinson, Force Protection Officer, Navy Europe Africa, **US Navy**

2.10 **The Indian Navy and the Protection of Ports in the Indian Ocean Region**

- Integration Indian Naval vessels for Port Security
- Current and future requirements in the Indian Navy
- Case studies and examples of protection of ports
- Systems integration, training and future capabilities

Commodore RS Vasan IN (Ret'd), (Former) Regional Commander, Coast Guard Region East, **Indian Navy**

2.50 Afternoon Tea

3.10 **Strategic Goals of the US Coast Guards International Port Security Programme**

- Overview of our status
- General observations and best practices
- Current initiatives
- Going beyond ISPS Code

Captain John Kenyon, Commanding Officer, International Port Security Program, **US Coastguard Activities Europe**

3.50 **Drug Trafficking and People Smuggling at the Port of Barcelona – A Practical Case Study**

- The threats - smuggling of people, illegal migration, drug smuggling, weapon smuggling
- Examples of the current challenges from recent case studies
- How can we mitigate the threats faced?

Senior Representative, Police of Catalonia, Spain

4.20 **Chairman's Closing Remarks and Close of Conference**

This conference comes with the opportunity to visit:

The Port of Barcelona

On the morning of the 1st October, delegates will have the chance to visit the Port of Barcelona, Spain.

The Port of Barcelona has a 2000-year history and a great contemporary commercial importance. It is Europe's ninth largest container port and is managed by the Port Authority of Barcelona.

Places are limited. Please refer to the booking form on the back of this brochure to secure your place.

Securitas is the Knowledge Leader in Maritime Security. Security is a key factor in maritime security. As a leading global security provider Securitas offers complete security solutions designed to meet the specific needs from the Maritime sector. These solutions range from securing port facilities and logistical hubs all the way down to individual trucks and containers. www.securitas.com

G4S is the largest security services provider in the world. G4S was formed from the merger between Securicor plc and Group 4 Falck A/S's security business, which completed in July 2004. G4S plc is a FTSE 100 listed company, and is also listed on the Copenhagen Stock Exchange. In 2008, the Group had a turnover of £5.9 billion. The Group offers a wide range of secure solutions and business processes, including secure facilities management, security consultancy, event security, secure transport services, security systems and security services to governments. G4S provides services to public, private and corporate customers; and employs more than 585,000 employees in over 115 countries. www.g4s.com

Sonardyne is an international group of companies manufacturing subsea instrumentation. Specialising in the use of sound for underwater navigation, positioning, data communication and control. www.sonardyne.co.uk

TNO Defence, Security and Safety focuses on Defence in the broadest sense of the word and our involvement covers a range of activities: military operations, military equipment, command & control and operational decision making, threat and protection, instruction and training. In the area of Security and Safety, the emphasis lies on combating crime, calamity and terrorism. TNO also works for the aviation and maritime sectors, markets in which our knowledge can be of good use. In terms of aviation, we concentrate largely on improving safety while for the maritime sector we focus on naval architecture. We collaborate with the defence industry and with small and medium-sized enterprises to develop innovative solutions. www.tno.nl

SPONSORSHIP AND EXHIBITION OPPORTUNITIES

SMI offer sponsorship, exhibition, advertising and branding packages, uniquely tailored to compliment your company's marketing strategy. Prime networking opportunities exist to entertain, enhance and expand your client base within the context of an independent discussion specific to your industry. Should you wish to join the increasing number of companies benefiting from sponsoring our conferences please call: Matthew Morgan on +44 (0)207 827 6196 or email: mmorgan@smi-online.co.uk

Terms and Conditions of Booking

Payment: If payment is not made at the time of booking, then an invoice will be issued and must be paid immediately and prior to the start of the event. If payment has not been received then credit card details will be requested before entry to the event. CD ROMs will not be despatched until payment has been received.

Substitutions/Name Changes: If you are unable to attend you may nominate, in writing, another delegate to take your place at any time prior to the start of the event. Two or more delegates may not 'share' a place at an event. Please make separate bookings for each delegate.

Cancellation: If you wish to cancel your attendance at a Conference and/or Briefing and you are unable to send a substitute, then we will refund/credit 50% of the due fee less a £50 administration charge, providing that cancellation is made in writing and received at least 28 days prior to the start of the event. Regrettably cancellation after this time cannot be accepted. We will however provide the Conference documentation on CD ROM to any delegate who has paid but is unable to attend for any reason. Due to the interactive nature of the Briefings we are not normally able to provide documentation in these circumstances. We cannot accept cancellations of orders placed for Documentation or CD ROM as these are reproduced specifically to order. If we have to cancel the event for any reason, then we will make a full refund immediately, but disclaim any further liability.

Alterations: It may become necessary for us to make alterations to the content, speakers, timing, venue or date of the event compared to the advertised programme.

Data Protection: The SMi Group gathers personal data in accordance with the UK Data Protection Act 1998 and we may use this to contact you by telephone, fax, post or email to tell you about other products and services. Unless you tick here we may also share your data with third parties offering complementary products or services. If you have any queries or want to update any of the data that we hold then please contact our Database Manager databasemanager@smi-online.co.uk or visit our website www.smi-online.co.uk/updates quoting the URN as detailed above your address on the attached letter.
